Thanks Pete. This is very helpful. Also, I didn't have a chance, but wanted to thank you for all of Hollywood Division's night time work on the Boulevard. When we did our night time walk last month, there was a general consensus that things had improved since the last time we had done a walk, due to coordination by LAPD.

Best,

Leron,

City wide, Part I Crime, Violent Crime, and Property Crime have all increased. Hollywood's numbers are up as well, but have increased less than the city as a whole. Below are comparisons of this year to date compared to last year.

The City-wide numbers:

Property: +12.4%  
Violent: +28.1%  
Total Part I: +15.2%

Hollywood:  
Property: +9%  
Violent: +23.3%  
Total Part I: +11.6%

On the bright side, total Part I crime in Hollywood is still 45% lower than ten years ago, for perspective.

Hope this helps.

Pete

Hi Pete,

I have an interview this p.m. with the BBC regarding crime in Hollywood. Was wondering if you have any updated stats you could share with me on how we are doing in 2015?

Thanks much,  
Leron
